

Mary Ida Townson, Chapter 13 Trustee

ePay Online Payment System

Quick Reference Guide

The Online Payment System is an approved alternative to the use of Cashier's Checks and Money Orders by using your Checking or Savings Account to make direct payments to the Trustee. This is an instant payment system, in conjunction with our bank, to provide a verifiable, trustworthy, and more convenient payment option.

In order to use this payment system, you must have an *internet connection*, know your *Case Number* and *last four digits of your Social Security number*, a *Checking or Savings Account*, and a *valid current e-mail address*.

Registration:

Start by going to the Trustee website at <http://www.atlch13tt.com/ePay.htm>

Click on the **Register Now** button. This will direct you to the **ePay Online Payment Center** so you may begin the registration process.

Please fill out the registration page and click **Next** when done. The next page will ask you for your **Online Payment ID**. This ID number consists of your case number (year and number without the leading or trailing letters, dash or any spaces) and the last four digits of your Social Security number.

For Example: Your case number is A18-11111-ABC and your Social Security Number is 123-45-6789. The **Online Payment ID** in this example would be 18111116789.

After inputting your Online Payment ID twice, click **Next**. The next page will provide you one last opportunity to verify your information before submitting. Click **Submit Registration** if your information is correct.
